ICBCHT11: 11th International Conference On Boiling & Condensation Heat Transfer

<https://icbcht11.eng.ed.ac.uk/home>

This series of ECI conferences (on Boiling) has been very successful over the years, with the present conference the 11th in the series taking place on May 2023 in the beautiful city of Edinburgh **CNN Travel number one best city in the world**. Edinburgh and The University of Edinburgh have homed a great number of renowned Scottish scientists such as **James Clerk Maxwell**, **Robert Stirling**, **William John Macquorn Rankine**, and **Joseph Black** fathers of the classical theory of electromagnetic radiation describing electricity, magnetism, and light, of the Stirling engine, of the first and third law of thermodynamics, and of the latent heat and specific heat, respectively, of very much relevance to phase-change, heat and mass transfer, and steam cycles, amongst others.

On behalf of the Local and International Scientific Committee we invite you to participate at the 11th International Conference on Boiling and Condensation Heat Transfer ICBCHT2023 taking place between the 15th and 17th of May 2023 at the South Hall Complex, Pollock Halls, University of Edinburgh in the beautiful city of Edinburgh.

Key Dates and Deadlines

	Date
Open "Short" abstract submission (200-300 words)	11 November 2022
Deadline "Short" abstract (200-300 words)	31 January 2023
Notice of acceptance	14 February 2023
Deadline "Extended" abstract (2 pages, PDF file)	15 April 2023
Conference dates	15-17 May 2023

Local Organizing Committees

- Prof Khellil Sefiane (University of Edinburgh), Chair
- Dr Daniel Orejon (University of Edinburgh), Secretary-general
- Dr Gail Duursma (University of Edinburgh)
- Prof Prashant Valluri (University of Edinburgh)
- Dr John Christy (University of Edinburgh)
